Sports Officer's Report

- as at 25 / 01 / 2014

Last year has seen an overall drop in the number of our licenses issued. The only region that seemed to go against this trend was Otago Southland. Well done Otago Southland

WDSF ID Cards

Last year, I received 30 applications.

I denied 6 of these.

4 had not sent their required information. I had tried and tried to email them, to avoid having to deny them.

2 were because they had applied twice (Denied one and Accepted the other).

I accepted 25 applications, 2 of these were initially denied, but have since re-applied.

I was informed that 1 person did not need an ID Card last year.

LOOKING AT THIS YEAR

We have received payments for 16 licences already this year. This seems like a fairly good number of responses, at this time of year.

I look forward to seeing what the rest the year brings and am happy to answer any questions that arise from this report.
