Sports Officer's Report

- as at 03 / 01 / 2016

The last year has seen a trend of declining numbers of licenses continue, but there has been some improvement in some regions.

It was sad to see DanceSport Otago Southland close on 31-03-2015 as they still had a good number of athletes. These athletes have now been transferred to the Canterbury region.

	2015					2014		
	Adjudicator	Scrutineer	Professional Athlete	Adult	Junior / Juvenile	Official	Adult	Junior / Juvenile
Auckland	3	2	2	32	0	10	17	4
Whanganui	0	0	0	0	0	0	0	0
Wellington	5	0	0	15	0	6	24	0
Nelson	0	2	0	2	0	2	0	2
Canterbury	0	0	0	6	9	1	3	4
Otago Southland	4	0	0	2	2	7	9	14
	12	4	0	57	11	26	53	19
	16			68		26	72	
	Total Licences					Total Licences		
	84					98		

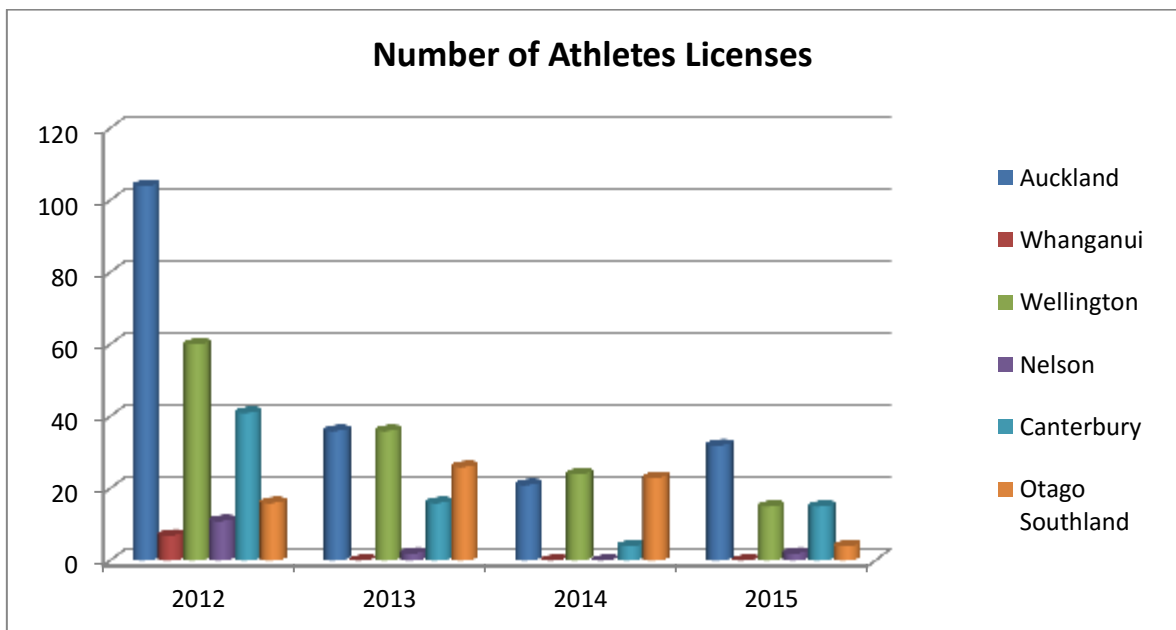

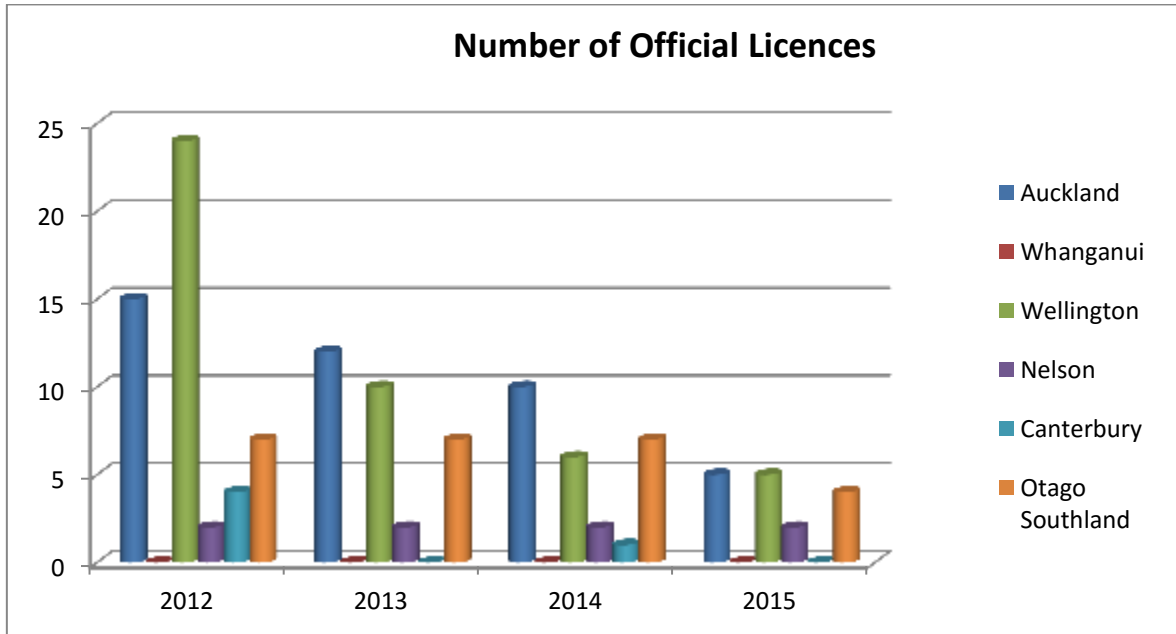

The graph shows a dramatic decline in issued licenses between 2012 and 2013, which now appears to have stabilized. I will be watching this trend with interest.

The following two graphs show the number of licenses issued by region, for the past four years.

This data analysis highlights the fact that our membership has declined, but this seems to be improving (especially Athletes). Hopefully the decline in Officials will also improve over the coming year.

We currently have:

- 13 Athlete License to carry over to 2016
- 1 Adjudicator who has re-licensed (pre-paid in 2015 for 2016 and 2017)
- 1 Scrutineer who has re-licensed

15 Licenses at the date of my report

As at 31/12/2015, we had issued 40 WDSF ID-Cards.

I am happy to stand for another term and look forward to seeing what the rest the year brings.

I would be delighted to answer any questions that arise from this report.
